

CASE STUDY FORM

Symptoms & Quality of Life Before Alignment Correction:

Nancy presented to the office with a stiff neck. She noted that she had a very difficult time sleeping and had a lot of discomfort.

Previous Medical Treatments:

Nancy had previously been to a chiropractor for her current complaints.

Recommendation and Technique Used:

Nancy was recommended a 90 day care plan in our West Bend Chiropractic Office. Within that first 90 days, her treatment plan consisted of frequent weekly visits that checked her atlas alignment and adjusting.

Symptoms and Quality of Life After Alignment Correction:

With NUCCA Chiropractic, Nancy was able to feel results fast! She felt great and currently has no pain! Her sleeping has significantly improved.

What Did You Think About NUCCA? :

Nancy states, "NUCCA is easy and painless, I feel great!"
